REGENERATIVE AGRICULTURE FARM TOUR**
Friday June 13th, 2025: 10am-12pm

FORREST GREEN FARM

Discover the Wonders of Regenerative Agriculture:
An Exciting Farm Tour for Kids and Teens!

Come and bring your K-12 kids to our farm for an educational regenerative agriculture tour! You'll get to join Rob on a pasture walk and see the pasture-raised laying hens, broiler chickens, mob-grazed 100% grass-fed cows, and livestock guardian dogs. This tour is great for all ages, and during it, you'll hear our story, learn about regenerative agriculture, and how we raise our animals, vegetables, and herbs to create an ecological and sustainable working farm.

For older kids, we'll discuss the importance of supporting local food producers and how it impacts your local economy. Additionally, we'll talk about how supporting small farms ensures food security, fresher food, and reduces emissions.

After the tour, you can visit The Market on the Farm for snack food and drinks. If you plan to purchase meat, eggs, cheese, or other items from the store, make sure to bring a cooler. You're welcome to stay after the tour to self-tour the gardens and have a picnic lunch.

Children under four can join the tour for free! Tickets must be pre-purchased.

If the spirit moves you, check out Dunnlorra Inn.

There's nothing quite like getting into the spirit of a beautiful bed and breakfast. And when it comes to the Dunnlorra Inn, we mean that literally ... because its owner is a medium who does ghost tours. Mineral, Virginia, you see, has quite the history as a mining town. And that rich history just may be responsible for the spirits that haunt Dunnlorra Inn. Whatever the case may be, owner Lacey Palmer loves regaling her guests with tales of Mineral's past. So if you're looking for an inn with a history like no other, come to Dunnlorra and stay for a spell.

Your prospects are looking bright at Prospect Hill.

When you think bed and breakfast, certain things come to mind. Epic and spacious, however, are probably not among them ... unless you've stayed at Prospect Hill. Prospect Hill takes the intimacy, charm and beauty of the typical bed and breakfast and dials it up. More resort than inn, Prospect Hill boasts 12 rooms and cottages, private luxury bathrooms, fine dining, a massive 40-acre estate and a pool. And it's located in the heart of Virginia wine country. Come experience the luxe version of a Virginia bed and breakfast at the oldest, continually operated frame house in the state. From weddings and events to romantic getaways, there's nothing quite like the thrill of Prospect Hill.

"Life is busy, stressful, and chaotic," said Owner Terenée Mormando. "Our goal at Prospect Hill is to pamper our guests, allowing them the time and atmosphere to relax, recharge, and reconnect."

HISTORY

Drive the roads where the hoof beats of history reverberate... where Jack Jouett rode to save the lives of Thomas Jefferson and other founding fathers; and where General George Custer made his first "last stand" at the Battle of Trevilian Station, one of the largest all-cavalry engagements of the Civil War. The Louisa County Historical Museum offers tours and genealogy resources. The walking tour of the Town of Louisa and the Civil War driving tour are great ways to explore the region's history together as a family. Please use the Visit Louisa app's Experiences tab for more.
