THE SANTA EXPRESS

Virginia Scenic Railway Expands to Central Virginia

The Virginia Scenic Railway (VSR) is pleased to announce the opening of its second location in Louisa, Virginia, a small town with a big rail legacy dating back to the 19th century.

The new location will officially launch this holiday season with the debut of The Santa Express, a 60-minute holiday-themed train excursion designed especially for children and families — bringing a beloved Christmas tradition to the heart of Central Virginia.

As part of its expansion, VSR has restored two historic train depots near downtown Louisa, reviving a landmark that once welcomed freight and passengers into the heart of the community. Louisa's historic passenger depot, located at 103 Church Avenue, was built in 1899 according to the C&O Railroad's design standard at the time. After it ceased to function as a railway depot, the adjacent freight depot served as a storage room for the Maddox Feed Store. In 2025, the Virginia Scenic Railway rehabilitated the station, keeping the charm and ambience of the station intact.

The Santa Express Is Coming to Town

Following the overwhelming success of The Santa Express excursions from Staunton, which have become sell-out holiday favorites and crowd-pleasers for families across Virginia, VSR is bringing the magic to Louisa for the first time. The experience will be similar to what's available in Staunton, specifically:

- A 60-minute round-trip ride through the Central Virginia
- Onboard holiday music, and festive décor
- A visit from Santa Claus, plus treats and surprises for young passengers
- An unforgettable family experience, perfect for starting a new holiday tradition

The Staunton-based Santa Express regularly sells out, drawing visitors from across the state. With the addition of the Louisa location, Virginia Scenic Railway is able to offer more capacity as well as an optional Central Virginia departure point.

What's Next for Louisa?

Located just an hour from Richmond and two hours from Norfolk, Louisa is ideally situated to become Virginia Scenic Railway's Central Virginia hub. In 2026, the Louisa location will expand to offer additional excursions, including railroad history, murder mysteries, wine tasting trains, and more.

About the Virginia Scenic Railway

The Virginia Scenic Railway, a passenger excursion service offering multiple routes and rail experiences through the Shenandoah Valley of Virginia, is owned and operated by the Buckingham Branch Railroad. Now with four divisions and 280 miles of track, the Buckingham Branch is the largest short line railroad in Virginia. To learn more, visit VirginiaScenicRailway.com.

About The Santa Express

An instant classic, this holiday train ride is sure to delight children of all ages. The Santa Express offers a magical experience aboard a festively decorated train, where cheerful music, sweet treats, and of course the jolly man himself, bring the spirit of the season to life. And new this year will be a special adults-only passenger experience, "Holiday Spirits", with cocktails available for purchase on the train. Festive attire is welcome. Tickets are \$65 per person.

If the spirit moves you, check out Dunnlorra Inn.

There's nothing quite like getting into the spirit of a beautiful bed and breakfast. And when it comes to the Dunnlorra Inn, we mean that literally ... because its owner is a medium who does ghost tours. Mineral, Virginia, you see, has quite the history as a mining town. And that rich history just may be responsible for the spirits that haunt Dunnlorra Inn. Whatever the case may be, owner Lacey Palmer loves regaling her guests with tales of Mineral's past. So if you're looking for an inn with a history like no other, come to Dunnlorra and stay for a spell.

Your prospects are looking bright at Prospect Hill.

When you think bed and breakfast, certain things come to mind. Epic and spacious, however, are probably not among them ... unless you've stayed at Prospect Hill. Prospect Hill takes the intimacy, charm and beauty of the typical bed and breakfast and dials it up. More resort than inn, Prospect Hill boasts 12 rooms and cottages, private luxury bathrooms, fine dining, a massive 40-acre estate and a pool. And it's located in the heart of Virginia wine country. Come experience the luxe version of a Virginia bed and breakfast at the oldest, continually operated frame house in the state. From weddings and events to romantic getaways, there's nothing quite like the thrill of Prospect Hill.

"Life is busy, stressful, and chaotic," said Owner Terenée Mormando. "Our goal at Prospect Hill is to pamper our guests, allowing them the time and atmosphere to relax, recharge, and reconnect."

HISTORY

Drive the roads where the hoof beats of history reverberate... where Jack Jouett rode to save the lives of Thomas Jefferson and other founding fathers; and where General George Custer made his first "last stand" at the Battle of Trevilian Station, one of the largest all-cavalry engagements of the Civil War. The Louisa County Historical Museum offers tours and genealogy resources. The walking tour of the Town of Louisa and the Civil War driving tour are great ways to explore the region's history together as a family. Please use the Visit Louisa app's Experiences tab for more.

HISTORY

STAND IN THEIR FOOTSTEPS

Photographs taken during the Civil War are among the first widely published battlefield images. Photos brought the realities of war into homes of both the North and the South. Imagine standing at Deep Bottom Landing outside of Richmond watching the bridge being created just as a wartime photographer did.

Working in wagons, Civil War photographers poured a light-sensitive liquid called collodion over a glass or tin plate that was then carefully rushed in a light-proof container to the camera. The cap on the camera lens was uncovered for just a few seconds, exposing the sensitized plate to the image, and the plate was hustled back to the darkroom to be developed. These early pioneers of photography helped advance this art so that today you can effortlessly snap photos in seconds.
