## *If the spirit moves you, check out Dunnlorra Inn.*

There's nothing quite like getting into the spirit of a beautiful bed and breakfast. And when it comes to the Dunnlorra Inn, we mean that literally ... because its owner is a medium who does ghost tours. Mineral, Virginia, you see, has quite the history as a mining town. And that rich history just may be responsible for the spirits that haunt Dunnlorra Inn. Whatever the case may be, owner Lacey Palmer loves regaling her guests with tales of Mineral's past. So if you're looking for an inn with a history like no other, come to Dunnlorra and stay for a spell.

## *Your prospects are looking bright at Prospect Hill.*

When you think bed and breakfast, certain things come to mind. Epic and spacious, however, are probably not among them ... unless you've stayed at Prospect Hill. Prospect Hill takes the intimacy, charm and beauty of the typical bed and breakfast and dials it up. More resort than inn, Prospect Hill boasts 12 rooms and cottages, private luxury bathrooms, fine dining, a massive 40-acre estate and a pool. And it's located in the heart of Virginia wine country. Come experience the luxe version of a Virginia bed and breakfast at the oldest, continually operated frame house in the state. From weddings and events to romantic getaways, there's nothing quite like the thrill of Prospect Hill.

"Life is busy, stressful, and chaotic," said Owner Terenée Mormando. "Our goal at Prospect Hill is to pamper our guests, allowing them the time and atmosphere to relax, recharge, and reconnect."

## Discover Historic Bracketts Farm

Nestled in the scenic Historic Green Springs Landmark District of Louisa County, Virginia, Historic [Bracketts Farm](#) offers visitors a chance to slow down, breathe in the countryside, and experience a piece of Virginia's rural heritage. Spanning 500 acres, Bracketts Farm is managed by the Elisabeth A. Nolting Charitable Foundation, a nonprofit organization dedicated to preserving the land, its history, and the traditions that have shaped Virginia's communities for generations.

Visitors are welcome during daylight hours to explore the peaceful landscape and enjoy the outdoor experiences. Whether you're looking for a quiet walk, a spot to cast a fishing line, or an opportunity to connect with nature, the farm provides a welcoming setting for all ages.

## Explore the Bracketts Farm Nature and Heritage Trail

One of the farm's highlights is the 1.6-mile Nature and Heritage Trail, which winds through beautiful natural areas while sharing the story of the Bracketts Farm landscape through interpretive signage. The trail offers a relaxing walk through the countryside and a chance to learn about the area's rich agricultural and cultural history.

Spring is an especially wonderful time to visit. As the weather warms and the landscape comes alive with new growth, the trail becomes an inviting place to enjoy fresh air, birdwatching, photography, and quiet moments in nature. The trail is family-friendly, and dogs are welcome (just remember to keep them on a leash so everyone can safely enjoy the farm and trail). For trail details, maps, and visitor reviews, you can also find the trail on the [AllTrails website](#) or app.

## Fishing and Wildlife Watching

In addition to the trail, visitors can enjoy scenic fishing in Nolting Pond while surrounded by the peaceful farmland landscape. Please note that the pond is open for fishing only (no swimming or boating).

Nature lovers will also appreciate that Bracketts Farm has been recognized by the Virginia Department of Wildlife Resources as a Bird & Wildlife Trail, making it a great place to spot birds and other wildlife throughout the seasons.

## Share Your Visit

If you visit the trail, be sure to bring your camera. The changing seasons create beautiful photo opportunities across the farm's fields, woods, and waterways. Visitors are encouraged to share their photos using #HistoricBrackettsFarm and [follow Historic Bracketts Farm on Facebook](#) to stay connected and see what others are discovering along the trail.

The Louisa County Historical Museum offers tours and genealogy resources. # HISTORY

**STAND IN THEIR FOOTSTEPS**

**P**hotographs taken during the Civil War are among the first widely published battlefield images. Photos brought the realities of war into homes of both the North and the South. Imagine standing at Deep Bottom. Landing outside of Richmond watching the bridge being created just as a wartime photographer did.

Working in wagons, Civil War photographers poured a light-sensitive liquid called collodion over a glass or tin plate that was then carefully rushed in a light-proof container to the camera. The cap on the camera lens was uncovered for just a few seconds, exposing the sensitized plate to the image, and the plate was hustled back to the darkroom to be developed. These early pioneers of photography helped advance this art so that today you can effortlessly snap photos in seconds.
